

10-08-18 Draft 2 Mission Statements

Option A:

Students in UNI's general education program will participate in remarkable experiences that foster engaged and meaningful lives.

Option B:

UNI's General Education Program is our foundational curriculum that informs all of our majors. In their encounters with diverse disciplines, our students develop fundamental skills, cultivate an appreciation for multiple perspectives, and integrate them all in thoughtful dialogue and action. We take **pride** in preparing students for fulfilling personal, professional, and civic lives.
