and may waive the first two (2) levels under Section 10.3.

Subdivision 10.02 Aggrieved Person
An “aggrieved person” is the person or the United Faculty making the complaint.

Subdivision 10.03 Party in Interest
A “party in interest” is the person or persons making the complaint and any person, including the United
Faculty or the Board, or their representative, who might be required to take action or against whom action
might be taken in order to resolve the complaint.

Section 10.1 Purpose

Subdivision 10.11 Lowest Level
The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to grievances.

Subdivision 10.12 Informal and Confidential
Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at
any level of the procedure.

Section 10.2 General Procedures

Subdivision 10.21 Time Limits
The failure of an aggrieved person to act on any grievance within the prescribed time limits will act as a bar
to any further appeal. An administrator’s failure to give a decision within the time limits shall permit the
grievant to proceed to the next step. Time limits may be extended by mutual agreement.

Subdivision 10.22 Processing
The investigation, handling, or processing of any grievance by the grieving person or the United Faculty
shall be conducted so as not to interfere with specifically assigned duties. Any departure from this
provision shall be by mutual agreement.

Subdivision 10.23 Election of Forum
If the grievant files any claim or complaint in any forum other than under the grievance procedure of this
Master Agreement, then, while such claim is pending or after it has been adjudicated, the Board shall not be
required to process the same or a substantially equivalent claim through this grievance procedure.

Subdivision 10.24 Filing of Initial Grievance
A Faculty Member who alleges that contract provisions have been violated shall initially seek to resolve the
problem by informal means through administrative channels. This procedure must be initiated within thirty
(30) days following the time at which the aggrieved party could reasonably have been aware of the
occurrence of the grievance. However, under no circumstances shall a grievance be considered timely after
twelve (12) calendar months from the date of occurrence.
**Subdivision 10.25 Written Grievance**
A formal grievance shall be submitted in writing and shall contain a concise statement of the facts surrounding the grievance. The statement shall specify the specific Article or provision allegedly violated, and relief requested. The grievance shall be filed on the form approved by the parties, which shall be obtained from the United Faculty.

**Subdivision 10.26 Filing Limitations**
A formal grievance will be processed only if filed within forty-five (45) days following the time at which the aggrieved party could reasonably have been aware of the occurrence of the grievance. However, under no circumstances shall a grievance be considered timely after twelve (12) calendar months from the date of occurrence. The grievance form shall contain an endorsement indicating the United Faculty’s receipt of a copy of the complaint.

**Subdivision 10.27 Days Defined**
In all instances in which “days” is specified in this Article the term refers to class days. Saturdays, Sundays, holidays, and days when classes are not in session are not counted. Class days during summer session will be counted for faculty on summer appointment (teaching and research) for the whole eight (8) weeks regardless of period of appointment of Faculty Member. By mutual agreement between United Faculty and the Board class days may not be counted for faculty on summer appointment. Class days for faculty not on summer appointment will not be counted except by mutual agreement between United Faculty and the Board. When counting days, the day the grievance is received at any point in the procedure shall be considered “day one.”

**Section 10.3 Formal Levels**

**Subdivision 10.31 Level One**
The grievance form shall be filed with the grievant’s Department Head who shall respond within fourteen (14) days, indicating her/his disposition of the case. The Department Head shall distribute copies as indicated on the approved grievance form.

**Subdivision 10.32 Level Two**
The aggrieved person may, within fourteen (14) days of the receipt of the disposition of the case at Level One, appeal to the appropriate Dean, in writing, with the authorized signature of United Faculty. The Dean shall meet with the parties and United Faculty, and, within fourteen (14) days of receipt of the appeal, indicate her/his response in writing, with a copy to United Faculty.

**Subdivision 10.33 Level Three**
The aggrieved person may, within fourteen (14) days of the receipt of the decision at Level Two, appeal to the President or her/his designee, with the authorized signature of United Faculty. The President or designee shall, within fourteen (14) days of receipt, indicate her/his response in writing, with a copy to United Faculty.

**Section 10.4 Arbitration (Level Four)**

**Subdivision 10.41 Notice of Arbitration**
The United Faculty may submit a grievance to arbitration with the consent of the grievant and with notice to the President and copy to the Board Office, provided written notice of intent to arbitrate is delivered to the Office of the President within twenty-one (21) days of receipt of the President’s response at Level Three.
Subdivision 10.42 Selection Procedure

Unless otherwise mutually agreed by the parties, the arbitrator shall be chosen according to the following procedure:

Paragraph 10.421

Upon submission of a request for arbitration, the parties may within ten (10) days after the request to arbitrate, attempt to agree upon the selection of an arbitrator. If no agreement on an arbitrator is reached, either party may request the Iowa Public Employment Relations Board submit a panel of five (5) arbitrators. If the panel submitted by PERB is unacceptable to either party, the parties shall request a second panel of arbitrators from PERB.

Paragraph 10.422

When a grievance has been taken to arbitration, the parties shall, within 14 days, meet to select the arbitrator. The parties shall strike alternately until one name remains. The person who remains shall be the arbitrator. The parties shall promptly notify the arbitrator of her/his selection.

Subdivision 10.43 Exchange of Evidence

After the date for the arbitration hearing is established, the Union representative and Employer representative will schedule a meeting not less than one (1) week prior to the grievance arbitration date to exchange all evidence relevant to the grievance that is available to them at that time through the exercise of due diligence.

Subdivision 10.44 Hearing and Decision

The arbitrator so selected shall confer with the President or designee and the United Faculty and hold hearings promptly and shall issue her/his decision not later than thirty (30) calendar days from the date of the close of the hearings or, if written briefs have not been waived, then from the date the final statements and proofs on the issues are submitted to her/him. The arbitrator’s decision shall be in writing and shall set forth her/his findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall have no power to alter, add, or detract from the specific provisions of the Agreement. The decision of the arbitrator shall be submitted to the President and the United Faculty and shall be final and binding on the parties.

Subdivision 10.45 Costs

The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel and subsistence expenses shall be borne equally by the Board and the United Faculty. Any other expenses incurred shall be paid by the party incurring the same.

Section 10.5 Rights of Employees to Representation

Subdivision 10.51 Employee and United Faculty

The procedures of this Article will be available as the exclusive institutional remedy for a Faculty Member who receives an unfavorable decision by the Executive Vice President and Provost:

Subdivision 11.01 On Tenure
Where the first regularly scheduled decision on tenure has been not to award tenure, or where the decision will result in termination.

Subdivision 11.02 On Promotion

Subdivision 11.03 On Non-renewal
Where the Faculty Member has been on the probationary track.

Subdivision 11.05 On Termination of a Tenured Faculty Member
A tenured Faculty Member who receives a decision on termination by the President may elect to seek a review of the President’s decision by commencing the review at the step provided in Section 11.4 within twenty-one (21) days of the receipt of such decision.

Subdivision 11.06 Immediate Discharge of a Probationary Faculty Member
In the event a probationary faculty member is immediately discharged for cause during an academic year, as opposed to a non-renewal as provided elsewhere in this Article, the faculty member may seek a review pursuant to Section 11.3, 11.4, and 11.6 as provided in this Article by requesting such review in writing within twenty-one (21) days of receipt of such decision.

Section 11.2 Grounds for Complaint
It shall be grounds for complaint if a decision to deny tenure, to fail to reappoint, to fail to promote, to
discipline, or to terminate a tenured Faculty Member, is:

**Subdivision 11.21 Discrimination**
Based on the Faculty Member’s age, national origin, race, religion, creed, gender, or sexual orientation;

**Subdivision 11.22 Academic Freedom**
For reasons which violate the Faculty Member’s academic freedom, as the term is defined and limited by the American Association of University Professors 1940 Statement of Principles on Academic Freedom and Tenure with the 1970 Interpretive Comments, Board of Regents Policy and UNI Policy 6.10 entitled, “Ethics and Academic Responsibility.”

**Subdivision 11.23 Established Procedures**

**Subdivision 11.24 Reasons and Facts**
Made for reasons which are clearly inappropriate as a basis for decision or clearly without basis in fact; or

**Subdivision 11.25 Expectations**

**Section 11.3 Appeal Conference**

**Subdivision 11.31 Filing of an Appeal**
A Faculty Member who desires review of decisions defined under Section 11.0 shall submit a notice of appeal to the Office of the Executive Vice President and Provost within twenty-one (21) days of receiving notification of the negative vice presidential decision. Unless mutually agreed otherwise by the Board and United Faculty, March 1 shall be considered day one when counting days for submitting the Notice of Appeal. The intent to appeal shall be filed on the form approved by the parties, which shall be obtained from the United Faculty.

**Subdivision 11.32 Conference**
Within twenty-one (21) days of the notice of appeal, a conference shall be held between the affected Faculty Member and the Executive Vice President and Provost, or her/his designee. An intent to appeal may be filed only if it contains an endorsement by the United Faculty. The intent to appeal shall be filed on the form approved by the parties, which shall be obtained from the United Faculty.

Subdivision 11.42 Selection of Arbitrator
When the grievance has been taken to arbitration, the parties shall, within 14 days, meet to select the arbitrator. The parties shall promptly notify the arbitrator of her/his selection.

Subdivision 11.43 Hearing Proceedings
The arbitrator so selected shall confer with the affected Faculty Member and the Office of the President and hold a hearing promptly. The hearing shall be open except by agreement between the Board and the Faculty Member. The Faculty Member shall present evidence first and shall have the burden of proving that the Board’s action was improper under the provisions of Section 11.2, except as provided hereinafter in this Subdivision. The arbitrator shall issue a report not later than thirty (30) days from the date of the close of the hearing. Such report shall be in writing and shall set forth her/his findings of fact, reasoning and conclusions on the issue submitted.

Subdivision 11.44 Standard of Review
The standard of review to be applied by the arbitrator shall be whether the affected Faculty Member has proven by a preponderance of the evidence that the Executive Vice President and Provost’s decision was in violation of Section 11.2 of this Article.

Section 11.5 Dismissal of Tenured Faculty
Notwithstanding any other provision of this Article, in the case of dismissal of a tenured Faculty Member the University shall have the burden of proving just cause for the dismissal by a preponderance of the evidence, and in such case the decision of the arbitrator shall be final and binding.

Section 11.6 Disposition of the Arbitrator’s Report

Subdivision 11.61 President’s Review
The report of the arbitrator, the Executive Vice President and Provost’s disposition of the appeal, and the record made in the case, shall be forwarded to the President for review. After reviewing the record, the report, and the Executive Vice President and Provost’s disposition, the President will determine what administrative response, if any, shall be taken. In making such decision, the President will give great weight to the report of the arbitrator. There will be no oral argument before the President, but either party may submit a brief in support of the party’s position. Such brief shall be submitted within fourteen (14) days of the receipt of the arbitrator’s report by the parties. The decision of the President shall be issued within sixty (60) calendar days following receipt of such briefs.

Subdivision 11.62 Acceptance by President
If the President accepts the recommendation of the arbitrator, she/he shall make appropriate
recommendations, when necessary, to the Board to implement the decision, and the case shall be deemed closed.

**Subdivision 11.63 Rejection by President**

**Section 11.7 Other Provisions**

**Subdivision 11.71 Representation**

A Faculty Member utilizing this procedure may be represented at all stages by a representative of the United Faculty.

**Subdivision 11.72 Application of Time Limits**

The failure of an employee or United Faculty to act on an appeal under this Article within the prescribed time limits will act as a bar to any further appeal under this Article. An administrator’s failure to give a decision within the time limits under this Article shall permit the appeal to proceed to the next step. The time limits may be extended by mutual agreement.

**Subdivision 11.73 Costs**

The costs for the services of the arbitrator will be borne equally by the Board and the United Faculty.

**Subdivision 11.74 Election of Forum**

**Subdivision 11.75 Days Defined**

In all instances in which “days” is specified in this Article, the term refers to class days. Saturdays, Sundays, holidays, and days when classes are not in session are not counted. Class days during the summer session will be counted for faculty on summer appointment (teaching or research) during the period of appointment. By mutual agreement between United Faculty and the Board, class days may not be counted for faculty on summer appointment. Class days for faculty not on summer appointment will not be counted except by mutual agreement between United Faculty and the Board. When counting days, the day the grievance is received at any point in the procedure shall be considered “day one”.

APPENDIX B

PRINCIPLES, STANDARDS, AND PROCEDURES FOR FACULTY APPOINTMENTS, PROMOTIONS, AND TENURE

I. PRINCIPLES, STANDARDS, AND PROCEDURES FOR FACULTY APPOINTMENTS

A. General terms and conditions of appointments shall be stated in writing. In addition to the letter of offer, all appointments are governed by relevant policies as stated in the Policies and Procedures Manual and any applicable sections of a faculty Collective Bargaining Agreement.

B. Evaluation of an individual with respect to appointment to the faculty is made without reference to race, sex, creed, age, or any criteria prohibited by law.

C. For all appointments to the faculty, the primary standard is that the candidate to be appointed is the candidate best qualified for the position among those available for it.

D. It is expected that Faculty Members will have, at the time of appointment or within a reasonable period thereafter, the terminal degree appropriate to their disciplines and positions, except as noted in paragraph (E). Specifically:

1. For initial appointment at the rank of Assistant Professor, candidates will normally possess the appropriate terminal degree and will show experience of or strong potential for excellence in teaching, productive research/scholarship creative achievement, and professional service.

2. For initial appointment at the rank of Associate Professor or Professor, candidates will have the appropriate terminal degree and will have substantial experience demonstrating excellent teaching, productive research/scholarship/creative achievement, and professional service. Initial appointments at the senior ranks are based on the same criteria as promotion to those ranks.

E. Although in most academic disciplines and for most faculty positions the appropriate terminal degree is the doctorate, the University recognizes that in some disciplines and for some positions other degrees are customarily regarded as the highest normally appropriate to scholars in those areas. The University also recognizes that in exceptional instances there can be experience and/or training other than formal degree work that qualify a Faculty Member or candidate as teacher and scholar as effectively as a formal degree program. Such instances will be based on a considerable record of achievement, such as a substantial record of published research in professional journals. For those disciplines or positions where the appropriate terminal degree is normally not the doctorate, the degree requirement, if any, will be stated in established policies initiated by the department affected and agreed to by the College Dean and the Executive Vice President and Provost. In the absence of any established policy to the contrary, the terminal degree for all disciplines and positions is the doctorate.

F. Temporary, term, renewable term, clinical, probationary, and tenured Faculty Members may be terminated, only during an applicable term, for just cause and in accordance with the requirements of due process as approved by the Board of Regents, State of Iowa, June 30, 1973; and any applicable sections of this Collective Bargaining Agreement.

TEMPORARY APPOINTMENTS

A temporary appointment runs for a precisely stipulated short term, usually one year or less. It terminates automatically at the expiration of the stipulated term. It carries no implications of renewal or continuation beyond the stipulated term.
APPENDIX B

TERM APPOINTMENTS

A term appointment is a multiple-year appointment, i.e., two, three, or four years, which expires as specified by the initial letter of appointment. Initial appointments may not exceed a total of four years. When positions become vacant by expiration of the term of appointment, a search must be conducted.

PROBATIONARY APPOINTMENTS

A. A probationary appointment, like a temporary appointment, runs for a stipulated short term, usually one year. Unlike a temporary appointment, however, it carries the implication that, if the appointee’s services are judged by the University to be satisfactory, the appointment will be renewed year after year until, normally, a total of six years of probationary service shall have been accumulated; however, the University may offer reappointment for a seventh probationary year. The tenure standards for the seventh year will be the same as during the sixth year.

B. A probationary appointment may be terminated at the end of any term,¹ provided that written notice of the intention to terminate has been given by the University to the probationer in good time. Specifically: if the appointment is to be terminated at the end of the first year, notice shall be given by March 1; if at the end of the second year, by December 15; if at the end of any later probationary year, twelve months in advance.

C. The probationary period provides the opportunity to meet the requirements for tenure.

D. By March 1 of every year, every Faculty Member on a probationary appointment shall receive official written evaluation of his/her work to date.

E. Continuance of a probationary appointment is made upon a recommendation of the faculty. In the event the recommendation of the Department Head in a continuance of a probationary faculty member is different from that of the PAC, the Department Head shall provide the PAC with the Department Head’s written rationale and recommendation at the same time the Department Head’s rationale and recommendation is forwarded to the Dean. In the event the recommendation of the Dean in a continuance of a faculty member is different from that of a PAC, the Dean shall provide the Department Head and PAC with the Dean’s written rationale and recommendation at the same time as the Dean’s recommendation is forwarded to the Executive Vice President and Provost. In the event that the Executive Vice President and Provost’s decision regarding continuance is different from that of the PAC, the Executive Vice President and Provost will provide the Dean, Department Head, and PAC with a written rationale for that decision by March 1 as provided in D above. Nothing herein shall diminish the confidentiality of the faculty member’s file. The final responsibility for a decision rests with the appropriate academic officers. The Deans and Executive Vice President and Provost have a responsibility to ensure that recommendations for continuance or termination of probationary faculty reflect high University standards, while acknowledging the diversity of missions and tasks within the various colleges and programs of the University.

II. PRINCIPLES, STANDARDS, & PROCEDURES FOR PROMOTION AND TENURE

A Promotion and Tenure decision is a crucial judgment that vitally affects the University, its faculty, its students, and its supporting public. Of necessity, it is a subjective judgment about potential performance based on a current evaluation.

Only probationary faculty are eligible to be considered for tenure. Individuals holding adjunct, term, temporary, visiting, nonacademic, or appointments other than probationary at the University are not eligible to be considered for tenure. No

¹ The term (period) of the appointment is specified in the letter of offer; it is normally one academic year but may be for a shorter period.
person, by time, degree, or accomplishment, acquires an automatic right to Promotion and Tenure.

Normally an Instructor serves at least three years in rank before promotion to Assistant Professor; an Assistant Professor completes at least six years of service, including at least three years as an Assistant Professor, before promotion to Associate Professor; and an Associate Professor completes at least six years in rank before promotion to Professor.

The following criteria and procedures apply to decisions concerning Promotion and Tenure:

A. Tenure and promotion to Associate Professor requires that the candidate have a documented record of accomplishment in teaching, research/scholarship/creative achievement, and professional service. It is recognized that each candidate will have varied degrees of accomplishment in the three areas. Only after an affirmative judgment as to documented teaching effectiveness has been made can serious consideration be given to an evaluation of research/scholarship/creative achievement, and professional service.

In considering an individual for promotion, attention is given to all available information, such as: evidence of successful teaching; quality of research/scholarship and professional publications; artistic productivity; the esteem in which the Faculty Member is held by students, colleagues, and administrative officers; professional growth; participation in University activities and contributions to the general welfare of the University.

1. The primary assessment of the candidate for promotion is made by her/his colleagues in her/his department, through established assessment procedures, in accordance with applicable sections of a Collective Bargaining Agreement, although the decision to promote is the responsibility of academic officers.

2. The assessment will not only include a scrutiny of the candidate's record, but also calls for one or more formal assessments by the candidate's students and classroom visitation by colleagues.

3. Departments may seek assessments of a candidate from colleagues in her/his academic field in other institutions.

B. The person must hold the doctorate or other terminal degree appropriate to her/his academic discipline. In unusual cases of extraordinary professional achievement, the requirement for the terminal degree may be waived.

C. Evaluation for Promotion and Tenure is required during the sixth year of probationary service. The awarding of Promotion and Tenure prior to the expiration of the sixth year of probationary service will be made in cases of exceptional merit.

The person must demonstrate, during the probationary period, the ability to apply the doctorate, or other comparable terminal degree-level of training to teaching, research/scholarship/creative work, and public professional service. A Faculty Member with the rank of Assistant Professor who is considered for tenure will also be considered for promotion to Associate Professor.

Faculty Members who demonstrate exceptional performance in teaching, research/scholarship/creative work, and professional service may be considered for promotion before the completion of the years of service specified above.

D. Because the qualifications for promotion to Associate Professor and tenure are identical, an Assistant Professor who possesses the qualifications for tenure generally will receive simultaneous evaluation for promotion to the rank of Associate Professor. Situations may occur, however, where the tenure decision is considered independently from promotion in rank, such as the case of an Associate or Full Professor initially hired without tenure or Faculty Members transferred out of Malcolm Price Laboratory School and transferred into the Department of Teaching.
APPENDIX B

Faculty who have held probationary appointments in the Price Laboratory School during or prior to FY12 and who have been transferred into new positions in the Department of Teaching with the rank of Instructor shall be eligible for tenure consideration based on their teaching, service, and contributions to the teacher education program.

Price Laboratory School faculty with earned doctorates or other terminal degrees appropriate to their discipline may be appointed or promoted to Assistant Professor, and will be considered for tenure under standard University tenure criteria and procedures.

E. In those cases of an Assistant Professor who holds tenure, promotion from Assistant Professor to Associate Professor requires a documented record of accomplishment in teaching, scholarship/research/ creative achievement, and professional service.

F. Promotion from Associate Professor to full Professor requires recognized and significant accomplishments in the areas of teaching, research/ scholarship/ creative work, and professional service.

G. A tenured appointment or promotion is made upon recommendation from the faculty. In the event the recommendation of the department head in a Tenure or Promotion decision is different than that of PAC, the department head shall provide the PAC with the department head’s written rationale and recommendation at the same time the department head’s rationale and recommendation is forwarded to the Dean. Nothing herein shall diminish the confidentiality of the faculty member’s file. The final responsibility for a decision rests with the appropriate academic officers. The Deans and Executive Vice President and Provost have a responsibility to ensure that recommendations for Promotion and Tenure reflect high University standards while acknowledging diversity of missions and tasks within the various colleges and programs of the University.

H. Evaluation of individuals with respect to promotion in rank is made without reference to race, sex, creed, age, or other criteria prohibited by law.

I. A tenured appointment can be terminated only for just cause and only in accordance with any applicable section of the Collective Bargaining Agreement.

MEMORANDUM OF AGREEMENT

This Memorandum of Agreement is entered into between the Board of Regents, State of Iowa/University of Northern Iowa, hereafter referred to as the "Board" and the UNI-United Faculty, hereafter referred to as "United Faculty" as follows:

1. The Board and the United Faculty are parties to a Master Agreement covering the period July 1, 2015, through June 30, 2017, which this Appendix is a part of.

2. The parties have agreed to the provisions of the Memorandum of Understanding related to Part-time Faculty as follows:
   a. A Part-time appointment for Part-time Faculty runs for one semester and automatically terminates at the expiration of the Semester. It carries no implication for renewal or continuation beyond the Semester.
   b. MEMORANDUM OF UNDERSTANDING

Whereas, the Board of Regents, State of Iowa, as governing body for the University of Northern Iowa ("UNI") (hereinafter referred to as "Employer"), and UNI-United Faculty (hereinafter referred to as "Union") are parties to a Master Agreement setting the terms and conditions of employment for faculty covered by the agreement; and

Whereas, during negotiations for the current Master Agreement the Employer proposed establishing clinical faculty appointments. This proposal was neither incorporated into the 2007-2009 Master Agreement nor the 2009-2011 Master Agreement nor the 2011-2013 Master Agreement nor the 2013-2015 Master Agreement; and

Whereas, a committee with representatives from both parties was formed to study the issue of establishing clinical faculty appointments at UNI and develop recommendations; and

Whereas, the parties agree that establishing renewable term faculty appointments for positions that require clinical teaching, supervision, or direction is in the parties' best interest and accordingly agree to the following provisions:

I. Renewable Term Appointments

Renewable term faculty hold faculty positions through which they contribute to the service or teaching missions of the University and hold the rank of Instructor. Renewable term faculty are not eligible for tenure.

A. Terms of Appointment of Renewable Term Faculty

1. Candidate must have earned a terminal degree in the field or be recognized as having expertise by the search committee.

2. Initial appointment is for a minimum of two years. The initial appointment will be made on the basis of a department/school search process consistent with searches for tenure track positions. The first two years of service are considered "probationary." Thereafter, reappointment will be for one year at a time, following assessment and evaluation procedures outlined in Article 3, Master Agreement, that conclude with a satisfactory performance evaluation by the PAC and University Administration.

B. Transfers between Tenure-Track or P&S Appointments and Renewable Term Faculty Appointments.

Any individual wishing to move from a tenure-track faculty line or a P&S staff line to a renewable term faculty position must apply for a vacant position for which recruitment has been authorized. A renewable faculty member wishing to move to a tenure-track faculty or P&S line must apply for a vacant position for which recruitment has been authorized.

C. Responsibilities and Rights of Renewable Term Faculty

The standard expectation for a renewable term faculty is that teaching is the predominant activity. The position does not have a research component or expectation of research accomplishment, although those activities may be present in some cases.
APPENDIX D

D. Notice of Non-reappointment

A renewable term appointment can be terminated at the end of any term, provided that written notice has been given by the University by March 1 of that year.

E. Limitation

No more than 8% of the FTE faculty in any one college can be renewable term unless an exception is made by mutual agreement between the United Faculty and the Executive Vice President and Provost.

II. Clinical Faculty

A. Clinical faculty hold faculty positions through which they contribute to the service, teaching, and/or outreach missions of the University. Clinical faculty are not eligible for tenure.

B. The Clinical Faculty designation is used for positions that require clinical teaching and/or clinical supervision and/or clinical direction, and Clinical Faculty positions are limited to the following academic units: Communication Sciences and Disorders; Health, Physical Education and Leisure Services; Curriculum and Instruction; and Social Work. Clinical Faculty positions can be authorized in other academic units with the approval of the United Faculty Central Committee and the University Administration. The professional productivity expected of clinical faculty does not include research of the sort expected of tenure-track faculty. The number of such appointments will not exceed 3% of the tenure-track FTE of a college. Clinical Faculty will not be used for faculty positions where classroom teaching is the sole or primary form of instructional activity.

C. Any individual wishing to move from a tenure-track faculty line or a P&S staff line to a clinical faculty position must apply for a vacant position for which recruitment has been authorized. A clinical faculty member wishing to move to a tenure-track faculty or P&S line must apply for a vacant position for which recruitment has been authorized.

D. The clinical faculty will not have access to the summer fellowship programs or other research-oriented faculty development programs.

E. Clinical Faculty shall be part-time, term, or renewable term type appointments.

F. Each authorized academic unit may include at least one FTE Clinical Faculty, but the total number of FTE Clinical Faculty shall not exceed 10 percent of the authorized academic unit’s tenure and tenure track FTE faculty; and

III. Administrative Reports

During the period of time this Memorandum of Understanding (MOU) is in effect, the Executive Vice President and Provost will report the number of faculty hired pursuant to this MOU, the percentage those faculty represent of the total FTE faculty by college and will verify the use of an appropriate search process as specified in I. A. 2 above to United Faculty on or before January 1st and June 30th of each year.

Whereas, the Memorandum of Understanding will automatically expire on June 30, 2017; and

Whereas, if upon expiration, the subjects of this Memorandum of Understanding become part of the Master Agreement, then all persons granted appointments under the terms of this Memorandum of Understanding will have the terms of their employment governed by the new terms of the Master Agreement. If upon expiration the subjects of
APPENDIX D

this Memorandum of Understanding do not become part of the Master Agreement, then all persons granted appointments under the terms of this Memorandum of Understanding will become ordinary term or part-time instructors, as appropriate.

IN WITNESS HEREOF, the parties have caused their duly authorized representatives to execute this Memorandum of Understanding to be effective as of the Effective Date.

MEMORANDUM OF UNDERSTANDING

Whereas, the Board of Regents, State of Iowa, as governing body for the University of Northern Iowa (UNI), hereinafter referred to as "Employer" and UNI-United Faculty, hereinafter referred to as "United Faculty" are parties to a Master Agreement setting the terms and conditions of employment for faculty covered by the agreement; and

Whereas, during negotiations for the current Master Agreement the Employer and United Faculty agreed that this MOU will become effective July 1, 2012.

Whereas, the committee members agree that definition of workload is a necessary prerequisite to discussions about overloads, the Employer and United Faculty accordingly agree:

**Purpose:** The purpose of this Memorandum of Understanding (MOU) is to provide a mechanism for insuring that teaching activities, which have typically been reflected in a faculty member's teaching load as measured by credit hours, will be appropriately recognized as part of a faculty member's workload.

A second purpose is to increase communication about work load assignments within and across departments.

**Definition of Teaching Activities.** The workload for full time probationary and tenured faculty members includes teaching, research/scholarship/creative work and service. The standard form of instruction consists of a course offered by an academic department and delivered in a traditional classroom or classroom equivalent setting, such as through distance education and field work/clinical activities or assignments associated with that class. Non-standard activities include but are not limited to independent studies, thesis advising, supervision of field experiences, and direction of musical ensembles or theatrical productions.

**Overload.** The expected teaching load for faculty members is twelve credit hours. However, to facilitate research/scholarly work/creative work, faculty members are normally assigned to teach nine (9) credit hours of teaching a semester with an equivalent of three (3) credits hours of work load allocated for scholarly or creative work and service.

Faculty members who are assigned and agree to more than the equivalent of twenty-four (24) credit hours of teaching and scholarly or creative work and service during the regular academic year shall receive overload compensation for the work at the part time per credit hour rate specified in Article 8 Section 8.3. The determination of whether a faculty member's scholarly or creative work and service is sufficient to be allocated credit hour equivalency is made by the department head in consultation with the faculty member's dean.

**Credit Hour Conversion.** Both the Employer and United Faculty recognize and acknowledge that certain non-standard teaching activities are employed by departments and are a part of a faculty member's teaching loads. When a department regularly uses non-standard forms of instruction to deliver its curriculum, the Department Head or School Director shall develop, in consultation with the Dean of the College, a description of how the non-standard forms of instruction are converted to equivalent credit hours to be counted toward a faculty member's teaching workload. The credit hour conversion used to determine teaching loads, along with a description of how the conversion was determined, shall be distributed to all probationary and tenured faculty members in the affected academic department or school no later than the first class day of the 2012-2013 academic year. A copy of the conversion description shall be provided to the Dean of the College, to the Executive Vice President and Provost and to the Executive Committee of United Faculty on or before the fifth Monday of the fall semester.

This MOU will not affect the current methods for determining whether or not courses taught through the division of Continuing Education and Special Programs are part of a faculty member's teaching load and the
method of compensating faculty for teaching courses for the division.

6. If, as a result of Executive Vice President and Provost inaction or veto, a new student assessment instrument(s) and procedures for its use are not in place by the start of fall 2013 semester, all student assessments will be suspended without prejudice against faculty members until the process outlined in this MOU results in the implementation campus-wide of a new instrument(s) and procedures for its use.

7. If, as a result of United Faculty inaction or veto, a new student assessment instrument(s) and procedures for its use are not in place by the start of fall 2013 semester, the Executive Vice President and Provost shall continue use of the current instrument for all faculty members.

8. When the new student assessment instrument is agreed upon and implemented, all faculty will be assessed by this instrument in both years of the contract.

9. During Year One of the contract, faculty, students and administration shall provide feedback on the instrument and adjustments may be made accordingly by agreement between the Executive Vice President and Provost and the President of United Faculty.

10. During Year One of the contract, student assessment outcomes completed in the Fall or Spring for tenured faculty will be provided for informational purposes only and will not be used to evaluate instruction quality.

11. During Year One of the contract, for all other faculty, student assessment outcomes will be used to evaluate the quality of instruction.
12. During Year One of the contract, tenured faculty will have their teaching evaluated, but the evaluation will be done by means and methods other than by the student assessment instrument.

13. During Year Two of the contract, student assessment outcomes will be used to evaluate the quality of instruction for all faculty. Specifically for tenured faculty, student assessment outcomes completed in the Fall or Spring will be used to evaluate the quality of instruction.

14. This MOU shall be in effect and binding on the parties upon signature of the parties’ representatives below and shall expire upon June 30, 2015 unless extended by mutual agreement.

Addendum

During the 2015-16 academic year, student assessment outcomes will be used to evaluate the quality of instruction for all faculty. Specifically for tenured faculty, student assessment outcomes completed in the Fall or Spring will be used to evaluate the quality of instruction.

This MOU shall be in effect and binding on the parties upon signature of the parties’ representatives below and shall expire upon June 30, 2016 unless extended by mutual agreement.
